

critical geopolitics the politics pdf

This essay reviews critical geopolitics as a subfield of human geography: its intellectual roots, trajectories, internal debates, and interactions with other fields of inquiry. Its goal is to situate critical geopolitics in the study of international affairs and to highlight its contribution to that study.

ical version of "critical geopolitics"™ within political geography likewise be of utility toward clarifying and strengthening the contribution of geopolitics as

A Critique of Critical Geopolitics - tandfonline.com

The basic concept behind critical geopolitics is that intellectuals of statecraft construct ideas about places; these ideas have influence and reinforce their political behaviors and policy choices, and these ideas affect how we, the people, process our own notions of places and politics.
